RESHAPE AND POLISH: Splints may be sent to us for reconditioning. We will evaluate whether reshaping or reconditioning can be performed without compromising the integrity of the splint. Cracked splints cannot be reshaped. **35.00 - 60.00**

PVX Repair - For MCP or ST Splints out of warranty or damaged **98.00**

Special order splints address unique situations. We understand these splints may need adjustments or size changes; the first modification or adjustment is free of charge. For additional modifications, there will be labor and material charges which we are happy to quote prior to proceeding.

If an unfinished special order splint cannot be modified or adjusted to resolve your patient's situation, the splint may be returned for refund or credit of 75% of the purchase price. There is no refund for additional labor and material charges.
